The members of the B. Y. P. U. and a number of their friends enjoyed an o'possum hunt last Tuesday night. The young people were chaperoned by Mrs. J. B. Gilbert and Mrs. C. C. Watson. It was quite a nice crowd and they had a good time, but found no game.

MONDAY'S SPEAKING

Col. Murphy and Congressman Byrns Orate

Quite a representative crowd of the citizens of Carroll county had the pleasure of hearing two very fine speeches at the court house in Huntingdon last Monday. The speakers were Col. George Murphy, of Little Rock, Ark., and former attorney-general of that state, and Congressman Joseph W. Byrns, of the Nashville district. Judge Harwood was very kind and gave most of the afternoon to the speaking, and those who were attending court as well as those who came especially for the speaking, had the pleasure of hearing two able discourses on the issues of the present campaign.

The speakers discussed the issues from different viewpoints. Col. Murphy speaking in the interest of Col. Roosevelt and the principles of the progressive party, while Mr. Byrns spoke for Gov. Wilson and the democratic ticket. Col. Murphy was born in Carroll county and spent a considerable portion of his life in this and the adjoining county of Henderson. He has many friends in both counties who remember him kindly and several of them took advantage of this opportunity of seeing him again and hearing him speak.

The colonel is an ex-confederate soldier, a life-long democrat, but is now an ardent supporter of Mr. Roosevelt and his cause. He made a speech that was a strong presentation of the progressive ideas and that was very much appreciated by his audience.

Mr. Byrns made a strong argument against the present tariff system and the trusts, and an eloquent appeal for Wilson and Marshall. He also referred briefly to the state campaign and urged democrats to lay down their differences and vote for McMillin. He also paid Congressman Sims a high compliment.

INTERESTING STATEMENT

Williamson is Against Patterson and Back Tax Iniquity

I have been a candidate for floater representative for some time and have on every occasion tried to make myself plain on the important questions which are to be decided by the next legislature.

It is known by all who have had an expression from me, that I favor the retention of the present temperance and election laws; that I am opposed to the back tax system, and that I will not vote for M. R. Patterson under any condition or circumstances.

My opponent has failed to make himself clear on these questions, but as he subscribed to a resolution at McKenzie on October 7, pledging himself to vote for the regular democratic nominees, and as this convention was dominated by Patterson supporters and a back tax attorney, it does not require a statement from him to know where he stands. We are all very sure that this convention, remembering who its bosses were, would not have recommended Mr. J. D. Herron as a suitable candidate for floater, had they not known that he would manipulate their end of the lines. It will also be remembered by the people of this floater district that Mr. Herron is a member of the state democratic executive committee, and that while an effort was being made to recall the November primary our friend Herron voted on every occasion to retain the primary, or in other words he voted like Mr. Patterson wanted him to vote.

Now, the question is this: If the people want their floater representative to vote for Patterson and the back tax system, they should vote for Herron, but if they are opposed to Patterson and this back tax machine, they should vote for me. I am pledged to vote against this machine rule, while my opponent is pledged to support it. It is up to the voters of this district to decide this question. It is an important question, and as you are deciding how you will vote, remember that a vote for Herron is a vote for Patterson, while a vote for me is a vote against Patterson. What are you going to do about it?

Boosters and Knockers

There are two classes of people in every locality—the boosters and knockers. The booster is one who is ever ready to help anything for the upbuilding of the town and community, and when the call for aid is sounded, he is the first to come forward with a helping hand. The knocker is one who sits around the stove in winter, and on the streets in summer, with a jack-knife and a piece of soft wood in his hands and a chew of tobacco in his mouth; he whittles and spits and blasphemes all mankind. Nothing pleases him but his own worthless self; he can't understand why some successful business man does not recognize his ability and place him at the head of a large business institution, of course his business experience has been nothing more than criticism of others. Is this man worth anything to your town? Will you follow this fellow and help to drag down the community or will you join the booster and build up yourself and community?—Alamo Signal-Courier.

Lexington Road Club

The Lexington Road Club met Thursday of last week with Mrs. W. N. Abernathy, near Clarksville. The meeting was an enthusiastic one. There were eight visitors present. This organization stands for the improvement of woman's usefulness in the home and in society. We hope to see this work extended to all parts of the county. This is an age of progress, and those who take no interest in self-improvement must soon feel that they have made a serious mistake. If farmers find it to their interest to meet and discuss matters of importance to themselves, why may not their wives do likewise?

Union City Defeated

Union City brought a good team here on last Saturday, but the Huntingdon boys proved decidedly superior as the score, 33 to 0, indicates. I. T. S. lacks the weight of last year's squad, but they played with more speed and precision than any eleven which has ever represented the school. Partly through lack of heavy men, partly through the fact that some of the linemen were novices when they came here, and chiefly through the unfortunate loss of our coach, the locals were slow in developing this fall, but they have found their bearings now and, unless accidents should break up the present machine, we can expect some very fine football next month.

Friday the team goes to Lebanon for its game with Castle Heights. Two more games are scheduled for the home grounds; McFerrin on November 8, and Centerville on the 16th. These teams will be the best which have ever been brought here to meet an I. T. S. eleven, and two great exhibitions may be anticipated. Remember the dates.

In the Union City game the main features on our side were the machine-like work of the back field, the tackling of Blane on two critical occasions, and the many forward passes; for Union City the all-round work of Rankin and the broken field running of McConnell.

SOCIETY

Book Lover's Club

Mrs. A. E. Hall gave an entertainment of many attractive details, Thursday afternoon of last week, to the members of the Book Lover's Club and other friends. Roses and chrysanthemums with house plants brightened the home. Miss Mary Clark served grape juice and Mrs. J. E. Garver assisted the hostess in her contest on political allusions, in which much interest was manifested. The score cards were decorated with the colors and badges of the political candidates. The pretty prizes, etched crystal candlesticks, were presented to Mrs. Ernest Hawkins and Miss Edna Jamison. During the progression a delicious two course menu was served in the dining room from a beautifully appointed table. Mrs. L. P. Clark, Mrs. J. F. Neely and Mrs. Wilson Enoch served.

Quite an enjoyable feature of the afternoon was the songs rendered by the sons of the hostess, Masters Edwin and Ben Humble Hall.

Delta Theta Epsilon

Enjoyable among the entertainments given for the Delta Theta Epsilon Club was the musical party of which Miss Elah Sanders was hostess last Friday evening.

The feature of the entertainment was a most unique contest on "music," the score cards which were decorated with musical instruments were passed to the guests by little Miss Mildred Scott. A beautiful cut-glass bonbon dish was awarded Miss Lillian Foster and an exquisite hand-embroidered towel presented Mrs. A. E. Hall at the conclusion of the contest.

In the dining room, where Mrs. Otis Scott presided, autumn leaves were effectively placed and in the center of the table, which was covered with snowy damask, was a crystal bowl filled with nasturtiums, suspended just above this was a gilded harp, further emphasizing the idea of the evening.

Assisting the hostess were Mesdames W. E. Mebane and O. C. Tidwell, Misses Tessie Mebane, Christine Priest, Mary and Ida Leach.

The next meeting will be with Mrs. James H. Patrick, Friday evening, November 8. All the club members are requested to bring their books.
